

Tabriz University of
Medical Sciences

MEMORANDUM OF UNDERSTANDING (“MoU”)

BETWEEN

TABRIZ UNIVERSITY OF MEDICAL SCIENCES (TUOMS), TABRIZ, IRAN

AND

KHAZAR UNIVERSITY, BAKU, AZARBAIJAN

In order to promote mutual scientific and educational cooperation and to extend research programs, “*Tabriz University of Medical Sciences (TUOMS)*” and “*Khazar University, Baku, Azarbaijan*” agree to enter into a protocol on the following articles:

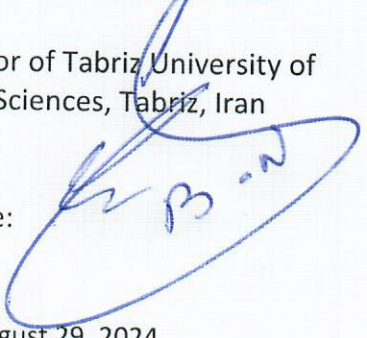

1- In conformity with the law and regulations in force and compliance with the internal protocols concerned of each country, the two parties hereby agree on the followings:

- Exchange of scholars and researchers
- Developing student exchange programs
- Promotion of joint research projects
- Organizing joint academic conferences, seminars, symposiums, congresses, workshops, study tours and summer schools
- Exchanging academic research data and teaching materials
- Expanding collaborations on health tourism, patient admissions, controlling contagious/epidemic diseases and transferring mutual experience
- Providing the necessary facilities to exchange medical equipment and medicine
- Facilitating the establishment of collaborative training and research centers and international branches in the universities of both sides
- Facilitating the holding of training courses (short-course, full-course, ToTs and etc.) required by the parties in the universities of the contract parties.

2- For each individual item mentioned above the partners will identify and define their reciprocal requirements. Additional protocol shall be signed for each individual plan. Two months before the presumed starting date of planned activities, the respective scientific scholars or officials involved in the project in both parties shall make contact, exchanging all the necessary information about procedures, time and everything required for the effective execution of the program.

- 3- *The contracting parties undertake to cover the cost of journeys undertaken by their own scholars (visiting professors). The exchange of scholars, within the conditions stated above, in all circumstances, shall be based on a condition of reciprocity.*
- 4- *Each party shall ensure, in compliance with its respective laws and regulations, the assistance and facilitations for scholars or officials temporarily residing on its territory, under the provisions of this agreement.*
- 5- *In any collaborative project or activity if any new knowledge were discovered within the framework of the implementation of the present agreement, this new knowledge will be regarded as the common property which is equally allocated/shared between the two parties, unless they agree it in another way.*
- 6- *This protocol shall be in effect for five years after the date of signature. This protocol may be complemented or amended by the written and common consent of authorized representatives of both parties and additional protocols to this protocol. After five years period of the first protocol, it may be extended for five years by written and signed consent of parties.*
- 7- *Each party shall reserve the right to terminate the protocol by six months, written notice of such intention to the other party. In that case, on-going projects shall continue.*

This Memorandum of Understanding was signed in Tabriz (Iran) on August 29, 2024 in two originals in English, both of which have the same legal validity.
